Blood Drive Update -

The June 2 ARC blood drive netted 29 units - the target was 19. When they ran out of ice, Chris Muthig of Jekyll Realty saved the day by running out and getting more. Our next drive is Monday, July 18. This a very large turn out and we thank everyone who gave and volunteered to make it such a success.

And that's the news from Jekyll Island where history lives, nature abounds, and it looks like the new Beach House restaurant will open in July.
