All applicable public comments will be heard during the appropriate committee meetings.

After a short break the Board will meet to take appropriate action on the committee action items.

Blood Drive - Wednesday, Jul 28

The ARC blood drive will be held on Wednesday, July 28 at the Jekyll Presbyterian Community Church from 1p to 6p. Summer is a time when blood needs increase and donations decline. Please consider giving the gift that can save lives. To avoid waiting in line, call Howard Sculthorpe at 635-2866 or go on line at redcrossblood.org to make an appointment. To make your visit to the blood drive shorter, visit redcrossblood.org/rapidpass on the day of your donation to input your personal information.

And that's the news from Jekyll Island where history lives, nature abounds, and lots of construction continues and summer visitors are here, so be careful out there.
